COACHES

PAUL ARSENAULT HEAD COACH

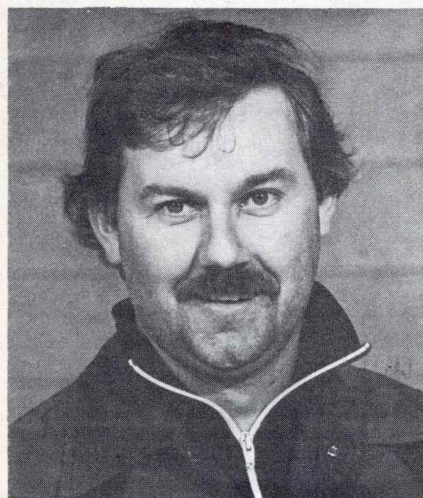

Paul enters his 18th season as a head coach in Canadian College Hockey with an outstanding record behind him. He began coaching at Sir George Williams University in 1964 at age 24 and guided the Georgians to six Conference Championships in seven years. He captured two more league titles in three seasons at Loyola College until the merger of the two fierce hockey rivals in 1975, created the Concordia Stingers. Under Paul Arsenault, the Stingers have won the Q.U.A.A. Conference six consecutive times. That adds up to fourteen league Championships in 17 attempts and a career coaching record of 410 wins-167 losses and 40 ties.

What does Paul do for an encore? Well one goal that has eluded him so far is a National Championship, and he believes he has recruited the people capable of bringing that honor to Concordia this season. He feels the tough,

non-conference schedule the Stingers face before Christmas, should help mold a solid nucleus into a serious contender come the end of February.

In addition to winning league titles, Paul has also been recognized individually being selected Canadian College "Coach of the Year" on two occasions, and winning the Quebec Conference honor two other times. Paul has also been assistant coach to Canada's Student National team and this year served as the dry-land training instructor at the Montreal Canadiens pre-season camp.

Paul reached the 400 win plateau last year; Number 500 and a National Championship are next on the horizon.

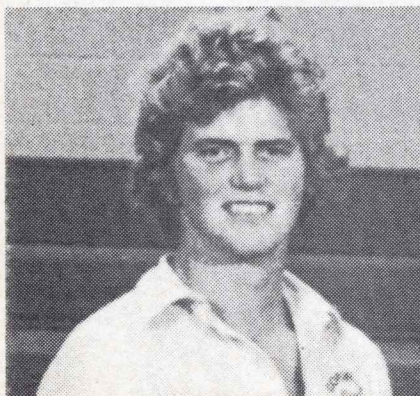

RON LAPOINTE ASSISTANT COACH

Although he comes from the Sorel Black Hawks of Q.M.J.H.L., Ron is no stranger to University hockey. From 1972 through 1975 Ron was Captain of the Sir George Williams University Georgians, leading them to the Eastern Canadian Championship and National Finals in 1974. Ron began coaching Minor hockey in his native Verdun before moving to the Lac St. Louis Midget AAA Lions where he captured three league titles. Three years ago he tried junior hockey with Montreal before taking over at Sorel, midway through the 1979-80 season. When the Sorel franchise folded this June, Ron joined the Stingers.

Stinger's GILLES HEBERT fires overtime winner at Clarkson's Ice Carnival Game last February.

WHERE TO FROM HERE ? . . .

By Mike Murray of the Hockey News

The 1980's were to have brought new horizons and greater heights to the Canadian College Hockey scene by way of some new gimmicks. First it was a "Super League" with a tiering structure that was to recapture student interest. After that idea was put on the back burner for the umpteenth time, the next saviour was to have been the insertion of Athletic Scholarships.

However, as hard as the Canadian College Coaching Association attempted to improve their product, they have run into differing views from the majority of their Athletic Directors and the C.I.A.U. Executive. With the set backs of the past couple of years, the coaches have come on more determined and their spirits have been anything but dampened.

From coast to coast optimism is the key word for the 1981-82 campaign. Gone are the days of dynasties, such as the Toronto Blues and Alberta Golden Bears developed through the 60's and 70's. The stunning victory by the University of Moncton in last year's National Finals has done more to rejuvenate the interest in intercollegiate hockey than any new scheduling concept.

No less than six universities have excellent chances of capturing this year's National Title, with Moncton, Alberta and Concordia leading the way.

Right on the heels of these three powers are the Dalhousie Tigers, Western Mustangs and the University of British Columbia Thunderbirds. The balance within the five Conferences is so close that of the six finalists who played in the National Tournament in Calgary last March, one should not be the least bit surprised if at least four of those clubs do not make repeat appearances.

With attendance on the rise on the University scene and falling around the Junior Major Leagues, it hasn't been some new gimmick that has brought the fans back to the arenas, but the hard and diligent work of the coaches across the Nation. Some excellent recruiting has generated a resurgence of fan interest with more and more top juniors making university hockey a viable alternative to playing professionally in the minor league system.

Perhaps the failure of the "Super League" to materialize has given new life to the five conferences. The idea that some schools were ready to go their own way, because of a continuing lack of regional competition has spurred some of the perennial league doormats to wake up. A super league is not necessary if enough schools in each conference work at improving their programs. As the old Sir George-Loyola rivalry illustrated, interest is highest when the competition is close by.

Bob Berry as a Georgian

On this afternoon at the Montreal Forum, close to 5,000 fans watched as Bob Berry scored after 7 mins. 41 secs. of overtime to give the Sir George Williams University Georgians a 5-4 win over arch-rival Loyola Warriors, and wrap up the Georgians' fourth consecutive O.S.L.A.A. Hockey Championship. As Pat Hickey wrote in the *Montreal Star* "Berry's winner came on a rebound of a shot by Trevor Kerr. The puck bounced out some eight feet directly in front of the net and Berry, overpowering two Loyola players neatly backhanded the puck just inside the pipes."

Sir George dominated Quebec College hockey in the mid-sixties and when you spoke about the Georgians you spoke of Bob Berry. Bob was feared by his opponents and respected by his teammates in much the same manner as Gordie Howe was during his great career. He was tough and he came to play, and made sure the rest of the Georgians came to play as well.

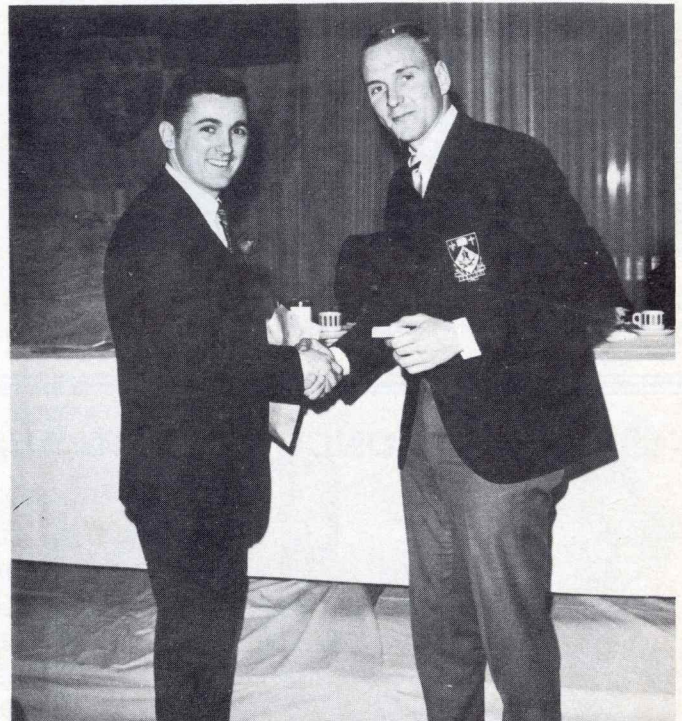

Harold Wenger, Berry's teammate at Sir George and now a close personal friend, states that "Bob had a tremendous desire to win and if somebody made any type of mental error, he was the first to let that person know about it. He set the example off the ice as well." Bob's former coach with the Georgians, Paul Arsenault, concurs with Wenger. Says Arsenault "I never coached another player who meant as much to the team, on and off the ice, as Bob Berry."

Of the many graduates to pro hockey produced at Sir George, Loyola and now Concordia, Bob Berry

is certainly the most famous. After being selected Sir George "Athlete of the Year" in 1967, Berry joined the Canadian Olympic team under Father David Bauer. He was forced to play with the 'B' team in Ottawa having been ruled ineligible for Olympic competition, because he had played professional football. Bob then signed with the Montreal Canadiens, playing first for the farm club in Cleveland and then joining the original Montreal Voyageurs. With the Vees, he was the corner man and playmaker for sniper Alain Caron and Judes Drouin, helping Drouin establish a season scoring record. After two years in the Montreal farm system, Berry was offered to the L.A. Kings by then Montreal general manager, Sam Pollack. His playing career with the Kings is well documented.

Bob's first attempt at coaching came mid-way through the season three years ago, when he was asked to be the playing-coach of L.A.'s American League Club in Springfield. After the season, Bob became the head coach of Los Angeles.

When Bob became available this year, the Montreal Canadiens wasted little time bringing him back home. Montreal is where Bob wants to coach even though he knows the pressure will be great. How he will do in the Canadian's "hotseat" only time will tell, but if Bob Berry is given a reasonable chance, he will do the job. He proved he could win in the Montreal Forum 14 years ago and last year at Los Angeles he proved he could coach in the N.H.L.

Bob receives congratulations from Paul Arsenault, after being selected Sir George "Athlete of the Year"

THE STINGERS INTERNATIONALLY

The successful exploits of the Concordia Stingers against Quebec and Canadian competition (168 wins-47 losses-11 ties over six years) is well documented. However, few people realize that Concordia's record in international competition is equally impressive.

Since the creation of a Concordia wide Athletic Department in 1975, the Hockey Stingers have played 22 times against U.S. Division I schools and 4 times against U.S. Division II schools. Concordia's record against first division opposition is 11 wins-10 losses and 1 tie, including a 5-0-1 mark against perennial powerhouse Clarkson College. Against Division II, the count is 3 wins and a tie. What makes the record more remarkable is the fact that all but three of the twenty-six games have been played away. Only a 9-2 pasting of St. Lawrence (1975) and a 5-4 overtime win over Plattsburgh (1980), both in Micron Tournament semi-final action, and a 6-6 tie with Clarkson last year, have been played at Concordia. In fact, only these three of the Stingers' 39 international games have been played in the friendly confines of the Athletic Complex on Sherbrooke Street.

In the 1976-77 season the Stingers played a three-week nine-game tour in every corner of Czechoslovakia. After 2 wins and 2 ties with the National Jr.

team, the bolstered opposition of second and third division teams overpowered the Stingers in 4 of the next 5 games. The opposition was tough. At one point in the journey, the Stingers lost 7-2 to the second division leading team from Opava before over 10,000 fans in the northern Czechoslovakian city one mile from the Polish border. Two weeks later the third place team from that same league handed the Nova Scotia Vees a 3-0 defeat right in Halifax.

In 1977 the Stingers settled for a 5-5 tie with the Swedish National Jr. team in a game played in Cornwall. The Swedish team went on to finish second to the Soviet Union in the World Junior Championships held that year in Eastern Canada. Two years ago, Concordia took part in the first-ever Great Britain Challenge Cup in Dundee, Scotland. After easily handling weaker opposition from Denmark and Britain, the Stingers dumped the Dutch National Team 4-3 in the final game. The Dutch had competed in the Olympic Tournament in Lake Placid earlier and had their best ever showing at that level of competition.

Overall, the Stingers' International record is 20 wins-14 losses and 5 ties. You have to wonder what it would be if even half of the games had been played at home.
